Water Resources (Proj.I.A2) DEPARTMENT

G.O.RT.No. 826 **Dated: 27-12-2017**

Read:-

From the Chief Engineer, North Coast, Visakhapatnam, Lr. No.CE/NC/VSP/DEE3/AEE11/ILR-Vol.1/105^{Govt}.Dt.17.06.2017.

ORDER:

In the reference read above, the Chief Engineer, North Coast has submitted that the Government of Andhra Pradesh has given utmost priority to interlink rivers for diversion of water from surplus basins to deficit basins. In Vizianagaram District surplus waters of Nagavali river is planned to be diverted to deficit Champavathi River Basin to realize the benefits of linking of Champavathi River with Nagavali River and for creating an assured drinking water source for Vizianagaram Town.

2. The Chief Engineer, North Coast has further submitted that administrative sanction has been accorded for taking up Phase I of the Proposal (Investigation and preparation of DPR) for Rs.17.20 Lakhs vide G.O. Ms. No.153, Dt.27.03.2017. The work was entrusted to M/s Contec Design and Engineering Solutions (P) Ltd., Hyderabad. The agency has conducted the detailed investigation/study and has submitted the DPR. The Estimate was prepared with SSR 2016-2017 and the designs of the Earth Bund is done as per MI standards. The Estimate cost for construction of OT Sluice, Improvements to the leading channel and Improvements to the Gadigedda Reservoir is worked out to Rs.34.41 Crores. The Chief Engineer, North Coast has, therefore, requested to examine the proposal and communicate necessary administrative approval for the work at the earliest.

3. Government after careful consideration hereby accord administrative approval for the work "Phase-I-Linking of Nagavali river with Champavathi through Right Main canal of Sardar Gowthu Lachanna (SGL) Thotapalli Barrage Project and Gadigedda Reservoir

PTO

for supplementation of drinking water to Vizianagaram Municipality" for an amount of Rs 24.80 Crores subject to attending to the following remarks before according technical sanction.
